

Addendum 1 to the Southern California Public Power Authority Request for Proposals for Windy Flats Technical Due Diligence Services Issued on 3/9/15

Due to conflicting due dates reflected on pages 1 and 6 versus page 8 of the Request for Proposals for Windy Flats Technical Due Diligence Services, the official response due date for this RFP will be **4:00 pm PST, March 27, 2015**.

If you have further questions regarding this proposal or addendum, please contact William Zhang at William.Zhang@ladwp.com or Kelly Nguyen at knguyen@scppa.org
